

Everybody Knows

Julee Cruise

I don't like to, I don't like to
I don't like to

Everyone knows I don't like to
Everyone knows I don't like to
Everyone knows I don't like to
Answer the phone

Everyone knows I don't want to
Everyone knows I don't want to
Everyone knows I don't want to
Answer the door

Without you by my side I don't exist
I run and hide because I miss your tender kiss
And I wish it was you

Everyone knows I don't believe in
Everyone knows I don't believe in
Everyone knows I don't believe in

Everyone knows I don't believe in
Everyone knows I don't believe in
Everyone knows I don't believe in
Promises made

Without you by my side I don't exist
I run and hide because I miss your tender kiss
And though you're worse and I wish it was you

Everybody knows I want you
Everybody knows I want you
Everybody knows I want you
Calling up the phone, knocking at my door
Always by my side, promising your love
Dancing with my soul
