

The Art Of Being A Girl

Julee Cruise

Don't say anything darling, just smile

Say something sweetly
But carry a big gun

Try stylish but sexy
And marry a rich man

'Cause it's the art of being a girl

Spill on me like water
There's no mess, it's not yours

'Cause it's the art of being a girl
Yes it's the art of being a girl

Use teardrops gently
But always get your way

'Cause it's the art of being a girl
Yes it's the art of being a girl

Don't say anything darling, just smile
You won't worry honey, you won't even get a chance to talk
