

Wake Up With You

Julia Fordham

I want to get lucky
I want to get laid
I want to lay down
In the bed that we made together
I want to get down with it
Want to get high
Want to stop life from just passing me by

I want to fly like a bird
I want to sing and be heard
I want a room with a view
I want to wake up with you
I want to believe and I want to have faith
I want to walk round
In a sweet state of grace
Forever

I want to be normal
I want to fit in
I want to fit perfectly inside my skin

And in this world of plenty
Don't want to be
Running on empty
In these days of wonder
Don't want to be
Sliding under

I want to fly like a bird
I want to get lucky
I want to get laid
I want to lay down
In the bed that we made together
I want to get down with it
Want to get high
Want to stop life from just passing me by
I want to believe and I want to have faith
I want to walk round
In a sweet state of grace
Forever

I want to be normal
I want to fit in
I want to sit perfectly inside my skin
