

# Woman Of The 80's

Julia Fordham

I LIKE IT LIKE THIS I LIKE IT LIKE THIS

I'm a woman of the 80s, I'm fit and I'm strong  
There ain't no situation where I don't belong  
Too late for flowers too soon for pins (too soon for pins)  
But I know where I'm heading and I like where I've been

And I swear I never really ever really get that lonely on Sundays  
Well maybe, just a little, but I'm never really ever really gonna  
Let myself CALL YOU UP!

Cos I'm not allowed to miss you and I'm not allowed to ring you  
I'm a woman of the 80s, no fractures, no flaws,  
But I miss you sometimes that's all

I'm a woman of the 80s, I'm single and I'm free  
There ain't no complications between my lover and me  
He's got my number and I've got his  
And even though I MIGHT MISS HIM, I like it like this

And I swear I never really ever really get that lonely on Sundays  
Well maybe, just a little, but I'm never really ever really gonna  
Let myself CALL YOU UP!  
Cos I'm not allowed to miss you and I'm not allowed to ring you  
I'm a woman of the 80s, no fractures, no flaws,  
But I miss you sometimes that's all

If you're a woman of the 80s you've got a set of rules to follow  
If it's not on, it's not on and you never ever ever ever ever SWALLOW  
(your pride)

I'm a woman of the 80s, I'm fit and I'm strong  
There ain't no situation where I don't belong

And I swear I never really ever really get that lonely on Sundays  
Well maybe, just a little, but I'm never really ever really gonna  
Let myself CALL YOU UP!

And I swear I never really ever really get that lonely on Sundays  
Well maybe, just a little, but I'm never really ever really gonna  
Let myself CALL YOU UP!

Cos I'm not allowed to miss you and I'm not allowed to ring you  
I'm a woman of the 80s, no fractures, no flaws,  
But I miss you sometimes that's all

That's all.  
No fractures, no flaws  
These unwritten laws
