

# Have You in My Wilderness

Julia Holter

Shake me awake  
Am I the man you see  
Through your mystery eyes?  
Oh yea, I second that emotion

You'll see lightning cascading  
Pronouncements of our love

Lady of gold  
You would fit beautifully in my wilderness  
Oh, in your waters I've dropped anchor

You'll see lightning cascading  
Pronouncements of our love  
Of our love  
Our love  
Our love

Tell me, why do I feel you're running away?  
Emotion  
Tell me, why do I feel you're running away?  
Emotion  
Tell me, why do I feel you're running away?  
Emotion  
Tell me, why do I feel you're running away?  
Emotion
