

## In the Same Room

Julia Holter

In this ...  
You be ...  
Sympathies, that you remember  
I can't recall this face, but I want you, but I want you  
In this ...  
I can't dream...  
Shiver carries...  
In the ship ...  
Symphaties, that you remember  
I can't recall this face, but I want you, but I want you  
In this ...  
I can't dream...  
Shiver carries...  
In the ship ...  
Symphaties, that you remember  
I can't recall this face, but I want you, but I want you  
In this ...  
I can't dream...  
Shiver carries...  
In the ship ...  
Symphaties, that you remember  
I can't recall this face, but I want you, but I want you  
In the same room, in the same room...
