

## Marienbad

Julia Holter

I gave you a statue  
Wonder why they're so still on label  
...could it be...  
Talk to me...to be bull or...

Ten signs that read silence  
Ten signs that read silence  
Ten signs to...  
Possible to say  
Ten signs that read silence  
So born...skin  
Impossible to say  
Ten signs that read silence  
..frozen green, what's... life  
Impossible to say  
I can't hear...

Oh, oh, oh  
Talk to me...!  
..the human whispers so cold...  
A few more sights...  
Don't be...  
The human whisper so cold
