

# This Is Ekstasis

Julia Holter

3 2 2 1 one word losing eye  
Dreams distance you come close  
And as I have her move as we are always finding us two  
This is not the quiet this is ekstasis  
This is no ekstasis this is quiet  
This is the ekstasis  
This is the ekstasis  
3 2 2 1 we are losing  
In dreams are distance you can't look  
As we are always finding heart

As we are always finding .. from us two  
Need to be too ...  
Death to the shark  
Live on earth  
Death to the shark  
Live on earth
