

This Is Ekstasis

Julia Holter

3 2 2 1 one word losing eye
Dreams distance you come close
And as I have her move as we are always finding us two
This is not the quiet this is ekstasis
This is no ekstasis this is quiet
This is the ekstasis
This is the ekstasis
3 2 2 1 we are losing
In dreams are distance you can't look
As we are always finding heart

As we are always finding .. from us two
Need to be too ...
Death to the shark
Live on earth
Death to the shark
Live on earth
