

My Baby

Julia Stone

Love you tenderly, love you sweetly
That's what I'll do, that's what I'll do
Love you when you need me
Love you when you leave me in the blue

Clouds will cover your eyes, you'll tell me lies
But I wont leave you
Clouds will cover my eyes, I'll try to hide
But I wont leave you

'Cause you'll always be my baby
My baby
You'll always be my baby
My baby, my baby

Love you when you hate me
Love you when you made me feel alone, in the daytime
Love you when you leave me
Love you when you need me
You leave me behind

Clouds will cover your eyes, you'll tell me lies
But I wont leave you
Clouds will cover my eyes, ill try to hide
But I wont leave you

'Cause you'll always be my baby
My baby, my baby
You'll always be my baby
My baby, my baby

You'll always be my baby
You'll always be my baby
You'll always be my baby
My baby, my baby
