

With The Light

Julia Stone

Open the window, we're not free
Open the window, we're not free at all
Open the window, we can't see
Open the window, we can't see at all

With the light, they will find

Open the window, they're not free
Open the window, they're not free at all
Open the window, they can't see
Open the window, they can't see at all

With the light, they will find
With the light, they will find

With the light, they will find
With the light, they will find
With the light, they will find
