

Take Me in Your Army

Julian Casablancas

Something to do, something to do
When you don't want it anymore,
I was not ready for the podium yet
Just the stage

In all my dreams I'm waiting for you,
Innovators and shameless imitators,
The best time is when I feel your lashes lashing me

Take me in your army
Take me in your army
Take me in your army
Take me in your army

This is not for everybody, this is for nobody ~
It took a thousand days to build and only a day to destroy
The customer is obviously oblivious and wrong

Take me in your army
Take me in your army
Take me in your army
Take me in your army

Take me in your army
Take me in your army
Take me in your army
Take me in your...
