

Drive, She Said

Julian Cope

Collusion
Crawl on your knees
Down collision drive
Crawl
Crawl gotta crawl
Like you're two feet tall
Crawl
Face it it's not very civilized
Yeah we could crawl

But I'd rather drive she said
Drive she said
Yeah we could crawl
But I'd rather drive she said
Drive drive drive drive

She shouts screaming down
Over citizen towns
I have rights
But if you believe in me
Then you believe
In human sacrifice
Here piggy Peggy sooey suicide
Yeah we could crawl

But I'd rather drive she said
Drive she said
Yeah we could crawl
But I'd rather drive she said
Drive she said

Yeah we could crawl
But I'd rather drive
Drive she said
