

## Cole's Song

Julian Lennon

I feel that the love around me  
Has come from another world  
I have lost love  
I have found love

From the moment you were born  
I could see a new beginning  
Come to me, let me tell you how  
How I've lost love

And now I've found love  
In a world of broken dreams  
I was wrong  
To deny your feelings

And I'm sorry  
If I've caused you pain  
I was lost then  
So confused then

And I believe that  
You would change that  
There are broken hearts we can mend  
Through the music we've learned to love again

Through the sad notes  
Through the years  
There were times when I just couldn't tell you  
And now we've come

To an understanding  
And I'm sorry  
That it took so long  
I have lost love

I have found love  
From the moment you were born  
I have lost you  
And now I've found you

Let me feel your heart  
Let me hear your song
