

I Don't Wanna Know

Julian Lennon

I don't wanna know what's going on
And I don't wanna know what's right or wrong
And I don't wanna know who's bed you're in
And I don't wanna know just where you've been

Oh baby, you were never really good for me
Just maybe, you're a stranger to reality
And baby, don't you know you haven't got a clue
'Cause lately, I don't know what to do

I don't wanna know what's going on
And I don't wanna know what's right or wrong
And I don't wanna know who's bed you're in
And I don't wanna know just where you've been

Oh baby, you said you're changing for the better now
Just maybe, you're not as strong as you thought somehow
And baby, you know you're heading down a one way track
And baby, I won't bring you back

Well, you said you were looking for a better way
But you just keep coming back
To a place you could never seem to get away
That will always hold you back, back, back, back, back, back, back, back

Oh baby, you said you'd rather be a daddy's girl
But lately, you're try'n a fight against the whole wide world
Just maybe, you've found a love that you can hold on to
And baby, I prayed for you

'Cause I don't wanna know what's going on
And I don't wanna know what's right or wrong
And I don't wanna know who's bed you're in
And I don't wanna know just where you've been

'Cause I don't wanna know what's going on
And I don't wanna know what's right or wrong
And I don't wanna know who's bed you're in
And I don't wanna know just where you've been
Oh baby, oh baby, oh baby, oh baby

'Cause I don't wanna know what's going on
And I don't wanna know what's right or wrong
