

I Want You To Know

Julian Lennon

I've looked in your eyes and noticed
The light almost has gone
Why don't you show me
Just how our poor lives have gone wrong?

I'll understand if you tell me it's another man
But don't abuse me, refuse me and mess with my mind
Don't you need me? 'Cause I'm lost without a friend
Well, do you need me? 'Cause I can't hold you tight

'Cause I want you to know
That I've had enough of fooling around
And I want you to show
That you'll give us just one more chance

Will you be ready tonight? 'Cause I hope so
Let's make a deal, go away for a day or two
Maybe revise, compromise, do what we want to do
You'll have your coffee in bed but you'll share it with me

I'll kiss you everywhere, hold me
Don't let me go free, don't you need me?
'Cause I'm lost without a friend
Well, do you need me? 'Cause I can't hold tight

'Cause I want you to know
That I've had enough of fooling around
Ah, don't stop at nothin' and I want you to show
That you'll give us just one more chance

Ah, don't stop at nothin'
Will you be ready tonight?
Will you be ready tonight? Even if you never leave me
I keep dreaming sentimental reasons

For your lovey-dovey, honey
I'm your once in a lifetime
Always be your prime time
Looking backwards see the blue sea

Will you kiss me? Hoping that you'll miss me
Please don't tease me, love me, please me
Let's make a deal, go away for a day or two
Maybe revise, compromise, do what we want to do

Don't you need me? 'Cause I'm lost without a friend
Well, do you need me? 'Cause I can't hold tight
You give me nothing but your heartache tonight
But if you love me won't you hold on to me tight

'Cause I want you to know
That I've had enough of fooling around
Ah, don't stop at nothin' and I want you to show
That you'll give us just one more chance

Ah, don't stop at nothin' 'cause I want you to know
That I've had enough of fooling around

Ah don't stop at nothin' and I want you to show
That you'll give us just one more chance

Ah, don't stop at nothin' 'cause I want you to know
That I've had enough of fooling around
Ah don't stop at nothin' and I want you to show
That you'll give us just one more chance

Ah, don't stop at nothin' 'cause I want you to know
That I've had enough of fooling around
Ah don't stop at nothin' and I want you to show
That you'll give us just one more chance
