

# Let Me Tell You

Julian Lennon

Ooh, ooh. ooh, ooh.  
Let me tell you now  
Let me tell you  
Let me tell you  
Let me tell you right now

Let me tell you 'bout the girls i used to know  
'round the corner on the streets below  
I've been sittin' here for quite a while  
They're the kind of girls that make you smile

Let me tell you now  
Let me tell you  
Let me tell you  
Let me tell you right now

Let me tell you  
Let me tell you  
Let me tell you right now

I'd like to tell you 'bout some good times i've had  
The kinda good ones and the kinda bad  
But if i did you'd know my secrets too  
Some things are private but i'll give you a clue

Let me tell you now  
Let me tell you  
Let me tell you  
Let me tell you right now

Let me tell you  
Let me tell you  
Let me tell you now  
Tell you now  
Tell you now, right now, what it's all about

Let me tell ya  
Let me tell ya  
What she did to me one night  
I was foolin' around in the back of the car  
And she pulled me aside

Let me tell ya  
Let me tell ya  
What she did to me one night  
I was foolin' around  
In the back of the car  
And she moved with me all night

Do do do...
