

Make It Up To You

Julian Lennon

I've been waiting in line
I don't have the heart to say goodbye
It's only money but it won't be much longer
Till we say goodbye

And you know
I'm a sentimental kind of thing
And you know
If I work hard and I sing

I'm gonna make it up
Gonna make it up to you
Got to make it up
Got to make it up to you

I'm just waiting my time
I'm trying so hard to work it out
It's sometimes funny but we'll hold on to our love
Till we cry goodbye

And you know
I'm gonna try a little harder everyday
'Cause in this life
You gotta work hard to pay

I'm gonna make it up
Gonna make it up to you
Got to make it up
Got to make it up to you

But if my lovin' doesn't hold our love together
I'll be washing my blues away
And if your lovin' can go on until forever
We'll be livin' the news every single day

I'm gonna make it up
Gonna make it up to you
Got to make it up
Got to make it up to you

I'm gonna make it up
Gonna make it up to you
Got to make it up
Got to make it up to you

I'm gonna make it up
Gonna make it up to you
Got to make it up
Got to make it up to you
