

Maybe I Was Wrong

Julian Lennon

All of my love
All of my time
Drawn like a line to you
But it's never enough
Hold me back and tell me now
I know it's plain to see

Maybe I was wrong
To believe it was you
Maybe I was wrong
To believe it was you

I could almost touch the sky
With you darling by my side
Close your eyes and you can find
Silence in this heartless time

I know it's plain to see

Maybe I was wrong
To believe it was you
Maybe I was wrong
To believe it was you

Won't you tell me
Am I dreaming
Can't escape this drowning feeling

I know it's plain to see

Maybe I was wrong
To believe it was you
Maybe I was wrong
To believe it was you

Maybe I was wrong
To believe it was you

Maybe I was wrong
Maybe I was wrong
Maybe I was wrong
Maybe I was wrong
