

# Way To Your Heart

Julian Lennon

I want to touch you  
I want to hold you  
I want to love you  
But not to mold you  
I want to feel you  
I want to kiss you  
I want to leave you  
So i can miss you.

Please, show me the way you are,  
Show me the answers to how i can start  
To find the way to your heart.

I want to see you...untangled  
I want to see you...from every angle  
I can't hold back...things i've never told you,  
I believe that love will come around again.

So please, show me the way you are,  
Show me the answers to how i can start  
To find a way to your heart.

Open your eyes as you look to the skies  
And you see her just floating on by.  
Consciously try with the tears that you cried to hold on,  
Teach me to love once again.  
Reach, if you can, for her angel - like hand  
And pull her right into your heart.  
Don't waste a day with your insecure ways,  
She'll be gone - and you'll never see her again.

I want to hear you...whisper softly,  
Say you love me...say it softly.

Please, show me the way you are,  
Show me the answers to how i can start  
Show me the way  
Show me the key that will open the door,  
Show me the way you are.  
Show me the answers to how i can start  
To find the way to your heart.

Show me the way you are,  
Show me the answers to how i can start  
To find a way to your heart.

I want to touch you  
I want to hold you  
I want to love you  
But not to mold you  
I want to feel you  
I want to kiss you...
