

Fascination

Julie London

It was fascination, I know
And it might have ended
Right then, at the start
Just a passing glance
Just a brief romance
And I might have gone on my way
Empty hearted

It was fascination, I know
Seeing you alone with the moonlight above
Then I touched your hand and next moment
I kissed you
Fascination turned to love

Then I touched your hand and next moment
I kissed you
Fascination turned to love
