## **Fools Rush In**

**Julie London** 

Fools rush in where angels fear to tread. And so I come to you my love, My heart above my head. Though I see the danger there. If there's a chance for me, then I don't care

Fools rush in where wise men never go. But wise men never fall in love, So how are they to know When we met, I felt my life begin. So open up your heart and let this fool rush in

Though I see the danger there. If there's a chance for me, then I don't care

Fools rush in where wise men never go. But wise men never fall in love, So how are they to know When we met, I felt my life begin. So open up your heart and let this fool rush in This fool rush in This fool rush in
