

# I Left My Heart In San Francisco

Julie London

The loveliness of Paris  
Seems somehow sadly gay  
The glory that was Rome  
Is just another day  
I've been terribly alone  
And forgotten in Manhattan  
I'm going home  
To my city by the bay

I left my heart in San Francisco  
High on a hill it calls to me  
To be where little cable cars  
Climb halfway to the stars  
The morning fog may  
Chill the air, I don't care

My love waits there in San Francisco  
Above the blue and windy sea  
When I come home to you, San Francisco  
Your golden sun will shine for me
