

Where Or When

Julie London

It seems we stood and talked like this, before
We looked at each other in the same way then
But I can't remember where or when

The clothes you're wearing are the clothes you wore
The smile you are smiling you were smiling then
But I can't remember where or when

Some things that happened for the first time
Seem to be happening again
And so it seems that we have met before
And that we laughed before, also loved before
But who knows where or when
