

Arms Of Jesus

Julie Roberts

When you bow your head
Say a prayer for me
That I may walk
On the streets of Gold
But don't cry
Don't cry for me
I've gone to find
What I need to know

If the arms, arms of Jesus
Are wide open, wide open for me
I will run into the arms of Jesus
if they're open, wide open for me

I've lived hard
I've lost my way
And drifted far
I've gone astray
But don't cry
Don't cry for me
Just pray I'll find
My Savior's grace

If the arms, arms of Jesus
Are wide open, wide open for me
I will run into the arms of Jesus
if they're open, wide open for me
