

# Carolina From My Soul

Julie Roberts

You can take the girl from the hills  
Take the girl from the fields  
From my family, oh my family  
You can steal the light from my eyes  
Cut me down criticize  
Tell me pretty lies

[Chorus]

But you can't take Carolina  
You can't take Carolina  
You can't take Carolina from my soul

Maybe I'll see my name up in lights  
People will sing every line  
Wouldn't that be fine  
Oh wouldn't that be something  
Even if we never get that far  
Sing our words to the distant star  
Here in the end we gotta be who we are  
Girl remember who you are

[Chorus]

You can't take Carolina  
You can't take Carolina  
You can't take Carolina from my soul

I see an old dirt road where I learned to walk, now I'm running  
I don't know where I'm going, but I sure know where I'm coming  
from  
Oh oh oh

[Chorus]

You can't take Carolina  
You can't take Carolina  
You can't take Carolina from my soul  
[x2]

Oh my soul
