If I Were You

Julie Roberts

If I were you
I'd come home to me
If I were you
I'd come home to me
I wouldn't keep my baby waiting
No, I'd come home to me

If I were you
Steppin' out on the town
If I were you
No, I wouldn't get around
I'd walk a straight line
Right back to me now
If I Were You
I'd sneak out while she sleeps
If I were you
I'd get my shit and leave
I wouldn't keep my lady waiting if I knew what's good for me
you done, you done, you done
Dirty things
You can beg the Lord's forgiveness
If I were you
I'd be begging me

If I were you
I'd come home to me
If I were you
I'd come home to me
I wouldn't keep my baby waiting
No, I'd come home to me

I wouldn't keep my baby waiting
If I knew what was good for me
