

# Mama Said Don't

Julie Roberts

Mama said "don't go near that river wearin' that Sunday dress"  
I spent a lot of money on the pretty little thing so you better  
not get it wet"  
But I couldn't help but wanna jump right in when I felt that su  
mmer sun beat down  
I did what she said, I didn't get it wet  
I left it on the muddy ground

[Chorus]  
Mama said don't  
I swore that I won't  
But every time mama said don't  
I did

Mama said "don't you waste your time girl chasing a boy like th  
at"  
If he's the kind of trouble that his daddy was  
He'll break your heart in no time flat"  
And don't you fall for that up to something, crooked good for n  
othin' grin"  
But when he pulled up in his red S-10 I couldn't help but jump  
right in

[Chorus]  
Mama said don't  
I swore that I won't  
But every time mama said don't  
I did

Every time I try to prove her wrong, she always ends up right  
But it just wouldn't be like me  
If I didn't put up a fight

Mama said don't [x4]

[Chorus]  
Mama said don't  
I swore that I won't  
But every time mama said don't  
Yeah every time mama said don't  
Every time mama said don't  
I did

Mama said "don't go near that river wearing that Sunday dress"  
But I did

Mama said "don't you waste your time girl chasing a boy like th  
at"

But I did  
Yeah I did
