

# Unlove Me

Julie Roberts

Unloose this hold you've got on me  
Unlock this heart that can't get free  
Unlive the night you kissed and hugged me  
Undream the dreams that we both shared  
Unfeel the feelin' that you cared  
Before you leave me, please unlove me  
Unlove me  
Unmake all the memories I can't forget  
Unlove me  
Let me go back to the way I was before we met  
Back to the days when I was strong  
When it wasn't sad to be alone  
When I was happy-go-lucky  
And I didn't know how good it felt  
To hold you and feel my heart melt  
Show me a little mercy and unlove me  
Unlove me  
Untie all the strings between your heart and mine  
Unlove me  
But do it real slow, so I don't have to lose you all at one time  
Before you pack your bags and leave  
One thing I wish you'd do for me  
Take a little time to just unlove me  
Unlove me  
Unmake all the memories I can't forget  
Unlove me  
Let me go back to the way I was before we met  
Unloose this hold you've got on me  
Unlock this heart that can't get free  
Before you leave me, please unlove me  
Show a little mercy and unlove me
