

# Balto

Julien Doré

Goodbye Balto  
I'm missing you dog  
Lizard sorrow  
crying you're gone

I come with you  
to find a new home  
I come with you  
because I'm alone

With the sun on my hair  
with the moon  
on your tongue  
because life is unfair

Goodbye Balto  
I'm missing you dog  
Lizard sorrow  
crying you're gone

I come with you  
to find a new home  
because I'm alone

Goodbye Balto  
I'm missing you dog  
Lizard sorrow  
crying you're gone

I come with you  
to find a new home  
because I'm alone

[3x:]  
Because life is unfair  
with the sun on my hair  
with the moon  
on your tongue

Because life is unfair  
without you without her  
I will find a new home  
because life is unfair

I come with you  
to find a new home  
because I'm alone
