

# Heaven

Julien Doré

I'm calling heaven  
From the dark side of my room  
I'm calling heaven  
I don't wanna to change your rules

I'm calling heaven  
Layed down on the roof  
I'm calling heaven  
I wish I could see you soon

No no no no  
Please don't let me down  
No no no no  
Please don't let me down

I'm calling heaven  
From the dark side of the moon  
I'm calling heaven  
I wish I could see you soon

[5x:]  
No no no no  
Please don't let me down
