

Heaven

Julien Doré

I'm calling heaven
From the dark side of my room
I'm calling heaven
I don't wanna to change your rules

I'm calling heaven
Layed down on the roof
I'm calling heaven
I wish I could see you soon

No no no no
Please don't let me down
No no no no
Please don't let me down

I'm calling heaven
From the dark side of the moon
I'm calling heaven
I wish I could see you soon

[5x:]
No no no no
Please don't let me down
