Hush

This is as quiet as it gets hush down now go to sleep we were o nce perfect me and you will never leave this room

H H H Hush you color my eyes red your loves not live its dead t his letters written itself inside out again when rivers turn to roads and lovers become trends

H H H Hush this is where it ends

this is the calming before the storm We've been here like befor e this absolution is always incomplete its always bittersweet

H H H Hush you color my eyes red your loves not live its dead t his letters written itself inside out again when rivers turn to roads and lovers become trends H H H Hush this is where it end s

I wont make a sound so you don't wake don't wake don't wake you don't wake you don't wake

Hush you color my eyes red your loves not live its dead this le tters written itself inside out again when rivers turn to roads and lovers become trends...H H H Hush this is where it ends yo u color my eyes red your loves not live its dead this letters w ritten itself inside out again when rivers turn to roads and lo vers become trends H H H Hush this is where it ends This is whe re it ends
