All Of You

Julio Iglesias

I never had this feeling before I never wanted anyone more And something in your eyes tells me You feel the way that I do, I feel like you do

If you would like to stay here all night You know that I would say it's all right Although I'm saying, yes, I confess, I've got more on my mind 'Cause I want more of you than your time

All of you, your body and soul Every kind of love you can express All the secret dreams you've never told I want everything and I'll take nothing less

All of you as long as you live Everything you've never shared before I want all of you that you can give All your joys and all your sorrows Your todays and your tomorrows

How I'd long to feel the warmth of your touch And then if I'm not asking too much I'd like to spend my life wandering through All the wonders of you, all the wonders of you

And when we're lying close in the dark So close I feel each beat of your heart I want you to reveal what you feel, all you hold deep inside There is nothing I want you to hide

All of you, your body and soul Everything you want this love to be I want all of you, all that you can give And in return for all you're giving let me give you all of me

All of you, your body and soul Every kind of love you can express All the secret dreams you've never told I want everything, everything

All of you as long as you live, as long as you live Everything you want this love to be I want all of you, all that you can give In return, in return, I wanna give you
