

One More Chance

Julio Iglesias

One day love came knocking on my door
But I was far away.
I pretended that the sound I heard was just another game.
Then I looked around and noticed pieces that were gone.
You were right before me and I couldn't see the bond.

Oh, will you give me just one more chance.
I want to try to understand.
Just give me nothing but one more chance.
I want to make it all right.
Oh, will you give me just one more chance
I want to try to understand.
Just give me nothing but one more chance.
I want to make it all right.
Day by day I think I'll grow to change
cause I can't stay the same.
I wonder why it took so long for me
to see the love was always in the way.
You were right before me and I didn't see you there.
I thought all my feelings were just begging not to care.

I don't care what tomorrow's gonna bring.
I won't know if it's emotion or a sin.
All I need is what I've kept alive within.
