

The Air That I Breathe

Julio Iglesias

Give me the world and I will turn it down
Can't think of anything I need
No cigarettes, no sleep, no light, no sound
Nothing to eat, no books to read

Sometimes...

All I need is the air that I breathe and to love you
All I need is the air that I breathe and to love you
All I need is the air that I breathe... oohh...

Peace came upon me and it leaves me weak
Sleep, silent angel, go to sleep

Sometimes...

All I need is the air that I breathe and to love you
All I need is the air that I breathe and to love you
All I need is the air that I breathe... oohh...

Peace came upon me and it leaves me weak
Sleep, silent angel, go to sleep

Making love with you
Has left me peaceful and warm and tired
What more could I ask?
There's nothing left to be desired

Sometimes...

All I need is the air that I breathe and to love you
All I need is the air that I breathe and to love you
All I need is the air that I breathe and to love you
All I need is the air that I breathe and to love you
