When You Tell Me That You Love Me

Julio Iglesias

I wanna feel this way longer than time I wanna know your dreams and make them mine I wanna change the world only for you All the impossible I wanna do

I wanna hold you close under the rain I wanna kiss your smile and feel your pain I know what's beautiful looking at you You're in a world of lies, you are the truth

And baby, every time you touch me, I become a hero I'll make you safe no matter where you are And bring you anything you ask for, nothing is above me I'm shining like a candle in the dark When you tell me that you love me

I wanna make you see just what I want Show you that loneliness and what it does You walked into my life to stop my tears Everything's easy now, I have you here

And baby, every time you touch me, I become a hero I'll make you safe no matter where you are And bring you anything you ask for, nothing is above me I'm shining like a candle in the dark When you tell me that you love me

In a world without you Without you, I will always hunger All I need is your love to make me stronger, yeah

And baby, every time you touch me, I become a hero I'll make you safe no matter where you are And bring you anything you ask for, nothing is above me I'm shining like a candle in the dark When you tell me that you love me

When you tell me that you love me When you tell me that you love me When you tell me that you love me
