

# My Heart Is On The Ocean

Jump, Little Children

Old man walking on the old footpath  
Old man walking with his first son  
Oh son, my heart is on the ocean  
And my eyes are burning from the salt sea  
Oh son, my heart is on the ocean  
And my eyes are burning from the salt sea

The sun is steady as the sun, it will rise  
Morning, the wind is in the willow  
Oh son, the wind is in the willow  
And the morning is steady as the sunrise  
Oh son, the wind is in the willow  
And the morning is steady as the sunrise

My heart is on the ocean  
My heart is on the ocean  
And my eyes are burning from the sea

The ship is sailing as the ships, they do sail  
Over the blue and misty water  
Oh son, your ship is in the harbor  
And your bag is tugging at your shoulder  
Oh son, your ship is in the harbor  
And your bag is tugging at your shoulder

The seagull is flying as seagulls do fly  
Crossing, crossing over the ocean  
Oh son, you're crossing over the ocean  
And the seagull is flying as the bird flies  
Oh son, you're crossing over the ocean  
And the seagull is flying as the bird flies

My heart is on the ocean  
My heart is on the ocean  
And my eyes are burning from the sea

The sun is steady as the sun, it will rise  
Farewell, farewell, my first son  
Oh son, my heart is on the ocean  
And my eyes are burning from the salt sea  
Oh son, my heart is on the ocean  
And my eyes are burning from the salt sea

My heart is on the ocean  
My heart is on the ocean  
My heart is on the ocean  
And my eyes are burning from the sea
