

## All Because Of You

Jump5

Sunlight on my windowpane  
Something new running through my veins  
Every day is like a new beginning  
It's something about the way I'm feeling  
When you say you love me

Your words are ringing over and over  
Changing everything I thought I knew  
I know a love that's true  
And it's all because of you  
(all because of you)

I'm always wallowing in my mistakes  
It doesn't always seem to go my way  
You come to me and everything's OK  
It's something about the way I'm feeling  
When you say you love me

I fall more in love with you  
Everytime you say you love me  
Your words are ringing  
I know, it's all changing  
All because of you, of you.
