

# I've Got The Music In Me

Jump5

I've got trouble in my life  
No dreams to make me cry  
I've never frightened a worry  
You know it's always goodbye

I heat up  
I cool down  
When something gets in my way I go around it  
I don't let life get me down  
I'm gonna take it the way that I found it

I got the music in me  
I got the music in me  
I got the music in me  
Yeah yeah yeah  
I got the music in me  
I got the music in me  
I got the music in me  
I got the music in  
I got the music in  
I got the music in me  
I got the music in  
I got the music in  
I got the music in me

You say that life is a circle  
But that's the way that I found it  
You gotta move in a straight line  
Keeping my feet firmly on the ground

I heat up  
I cool down  
I got words in my head so I sing them  
I don't let life get me down  
Can't hold onto my blow so I play them

I got the music in me  
I got the music in me  
I got the music in me  
Ya, ya  
I got the music in me  
I got the music in me  
I got the music in me

Feel funky  
Feel good  
Gonna fly like a bird  
Hold on to your hat and sing sing sing  
I got the music, oh oh oh

I got the music in me  
I got the music in me  
I got the music in me  
Ya, ya, ya  
I got the music in me  
I got the music in me  
I got the music in me
