

# It's A Beautiful World

Jump5

It's about friends  
It's about school  
It's about changes  
The ones you never thought they'd put you through  
It's times like these that I got a touch of Irish in me  
And we can talk honesty, but honestly  
I'm OK this way, ya

Hey, ya just don't understand  
Sometimes my sky's a little gray  
And I know eventually I'll be feeling alright again, ya  
Life's been a friend to me  
And don't need to convince me  
It's a beautiful world, I know  
It's a beautiful world

It's about faith  
It's about heart  
It's about progress  
The things that try to tell the world apart  
My mind has to speak  
'Cause I feel what I feel much too deep  
It even motivates me to do something good  
And I'm OK, this way, ya

Hey, ya just don't understand  
Sometimes my sky's a little gray  
And I know eventually I'll be feeling alright again, ya  
Life's been a friend to me  
And don't need to convince me  
It's a beautiful world, I know  
It's a beautiful world

Sunshine, beating down on my life  
Maybe that's a long time away  
But I guess I'll take it day by day  
You ask when I'll get my smile back  
When I tell you  
I can smile now  
Though I know I'm down  
And if you stay around it might just happen

Hey, ya just don't understand a thing  
Sometimes my sky's a little gray  
And I know eventually I'll be feeling alright again, ya

It's about you  
It's about me  
It's about trust  
And all the things we feel we'll never see  
I feel so much  
Sometimes I'm a little out of touch  
You can talk good as day  
but honestly, I'm OK, this way

Hey, ya just don't understand  
Sometimes my sky's a little gray

And I know eventually I'll be feeling alright again, ya ya  
Life's been a friend to me  
And don't need to convince me  
It's a beautiful world, I know  
It's a beautiful world

Hey, It's a beautiful world  
Sometimes my sky's a little gray  
Life's been a friend to me  
And don't need to convince me  
It's a beautiful world, I know  
It's a beautiful world
