

Love Ya Too Much

Jump5

I couldn't sleep tonight
'Cause you were on my mind
We've been friends so long
I treated you wrong, that's not right
I said some crazy things
Words I did not mean
Can I take back the lies
Can I apologize

I love ya too much
I love ya just the way you are
And I love ya too much
To ever let you down
And I love ya too much
You know I wanna wrap my heart around you
Love ya too much
To ever let you go
I want you to know

I've had friends before
But none have loved me more
I can't remember who was ever as true as you are
I get emotional
'Cause I'm an ocean full
Of dreams that we can share and hope to get us there

On and on and on
Together we go on
So far now from where we belong
We won't slow down, won't stop now
Givin' up won't do
Take a chance on me
And I'll take my chances on you
