

Blind Devotion

Jungle Rot

Possessed by dogma, murder for the congregation
Killing for the lorf, follow religious belief
Reverent swine, obsessed with the holy book
Lost in the scriptures, religiously hypnotized

You fear the hand of God
A spectral apparition
You fear the hand of God
Your blind devotion failed!

Spellbound by doctrine, witness the abomination
You've lost your mind, see the demons in your blood
Sacrificial slaughter, execute the heritics
Give them a shortcut to fucking heaven

You fear the hand of God
A spectral apparition
You fear the hand of God
Your blind devotion failed!

Gouging out your eyes
Just to show devotion
You'd rather serve him blind
Than be a fucking sinner

You fear the hand of God
A spectral apparition
You fear the hand of God
Your blind devotion failed!
