Blood running through
my veins
shot of dope to my brain
cracking down your
fucking spine
struggling through the
endless lie

never seems to look the same evil in his eyes deceiving you soaked with rage butchering death

after death we will awake and arise from the depths of hell rotten zombies out for blood butchering and mutilating bodies

psychotic
insane butchery
tasting
your blood from me

never seems to look the
same
evil in his eyes

deceiving you soaked
with rage
butchering death

evil that comes from
within
controlling you I live
on your sins

gaining strength from
all your lies
I can see through your
demise

I feed on violence
I hear your screaming
I see your death
through your eyes

I live hate on violence you're screaming

I'm insane in a rage

await to see how you will die
I crave your blood the innocent cry
I'll tell you things you don't want to hear when you think of me you'll think of fear

I feed on violence
I hear your screaming
I see your death
through your eyes
I live hate
on violence you're
screaming

Blood running through my veins shot of dope to my brain cracking down your fucking spine struggling through the endless lie
