

End of an Age

Jungle Rot

This shall come to pass, apocalyptic vision
The end of an age... Revelation
A major confrontation, earth-shaking magnitude
The end of an age... Glorification

The judgment of the wicked, unveiled prophecy
The end of an age... Armageddon
A global pandemic, a mass extinction
The end of an age... Devastation

Violent disruption
Destruction of the world
Our date with doom is near
End time has come!
Tribulation, no redemption
Prophetic means to an end
Desperation, indignation
Immortal soul will not transcend!
