

Nerve Gas Catastrophe

Jungle Rot

The first side to empty
Chemical warfare
A creeping, volatile cloud
Dissemination

Delivered without warning
Proliferating
A creeping, effervescent fog
Contamination

Neurologically fucked
Twitching and jerking
Pupil constriction
Nausea and drooling

No control of your functions
Difficulty breathing
Exposure to the sarin
Asphyxiation

Synthesized, effective
Caustic agents, stockpiled!

Catastrophe... nerve gas
Catastrophe... nerve gas
Catastrophe... nerve gas

Synthesized, effective
Caustic agents, stockpiled!
