

Love Is a Fire

Junior Boys

Can't help myself I do
To a body without a flame
I've been thinkin' bout you
You are a flicker each night with me

Love is a fire
Love is a fire
Love is a fire
Love is a fire
Love is a fire
Makes me do it
Love is a fire
That makes me do it
Love is a fire
Makes me do it
Love is a fire that makes me do it

Can't help myself I do
To a body without a flame
I've been thinkin' bout you
You are a flicker each night with me

Love is a fire
Love is a fire
Love is a fire
Love is a fire
Love is a fire
Makes me do it
Love is a fire
That makes me do it
Love is a fire
Makes me do it
Love is a fire that makes me do it

Love is a fire
Love is a fire
Love is a fire
Love is a fire
