

# Teach Me How To Fight

Junior Boys

There's some things I forget  
And if it's wrong, I keep it in check  
'Cause what could I do  
If we go out tonight  
With that blood on your shirt?  
Would it taste like a brand new shirt?  
'Cause I don't know

Can you teach me how to fight?  
Show me what it's like to give that pain  
Show me how to fight, throw him down

There were times in the past  
If I had the move, I couldn't make it last  
Girl, it's wasted in the night  
And is it really so hard?  
Tell your body to forget the words  
Pushing you too hard  
'Cause I don't know

Can you teach me how to fight?  
Show me what it's like to give that pain  
Show me how to fight, throw him down
