

Shake Your Coconuts

Junior Senior

Come on
Oh yeah
Come on, come on
Come on, come on

Shout
Ooh, ooh
Come on in, hang your coats
Eat our chips, come on, we've got loads
Shake your coconuts, coco boys
Until the nut comes out, come on coco girls

Just keep on dancing now
Just keep on getting down
Just keep on having fun
The party's just begun
Just keep on dancing now
Just keep on getting down
Just keep on having fun
The party's just begun

All dress up, and dress-to-kill
Doctor says, come on, eat your pills
Shake your coconuts, coco boys
Until the milk comes out, come on, coco girls

It's Junior/Senior time to show us you care, hey
Just feel the power put your hands in the air, hey
Hey boys and girls we want to see what you got, hey
We wanna see you shaking coconuts
Shake it

We'll get up, to sing some music
We'll get down, to pass the time
Shake your coconuts, come on, coco boys
Shake you coconuts, come on, coco girls

Just keep on dancing now
Just keep on getting down
Just keep on having fun
The party's just begun
