

White Trash

Junior Senior

We wanna be like Nancy and Lee
We wanna sing like K-k-kim and Marvin
We wanna wear the same as Sonny and Cher
And show we got balls like the New York Dolls

A wobble that dick into my face
Hang on man I'm a little girl
I wanna try to stick to my own
Blub-a-rub a tit on the Letterman Show
Want to be white trash, want to be white trash
Want to be white trash, want to be white trash
Oomamamowmowooma White trash
I ain't got no cash, I ain't got no cash
Even if I get some money I'll still be a white trash,
yeah!

We wanna move like Rustin' Crew
We wanna dance next to Stevie and Ray
Underground chance like they do in France
And dance to the phone like Joey Malone
We wanna move like Rustin' (woohoo!) Crew
We wanna dance next to (woowoowoo!) Stevie and Ray
Underground chance like they do (woohoo!) in France
And dance to the phone like (woowoowoo!) Joey Malone
I wanna be cool and drop outta school (woohoo!)
I wanna take brunt but not the door (woowoowoo!)
knockin'
I can stand myths but I can't stand knockin' (woohoo!)
I can pick a fight steady ass rockin'
Want to be white trash, want to be white trash
Want to be white trash, want to be white trash
Oomamamowmowooma white trash
I ain't got no cash, I ain't got no cash
Even if I get some money I'll still be a white trash,
yeah!
